Elegant Attainment

*Simplifying away Complexities*

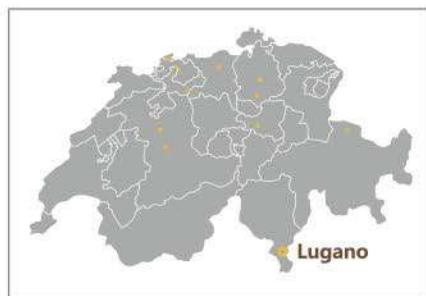

BASISTEM persistently explores the harmony between aesthetic beauty and practical functionality, embodying the purity of nature and the pursuit of exceptional quality in every design.

The LUGANO collection redefines storage solutions by seamlessly integrating artistic elements of structure, line, material, and color. Its designs encapsulate a refined sense of modernity and functionality. Featuring suspension panels, T-type edging, and flush bottoms, the collection exudes both stability and elegance. These elements are more than structural; they are a statement of sophistication, showcasing the beauty of lines and forms in perfect symmetry.

The phantom-gray aluminum frame, paired with the Galway Orange lychee leather panels, creates a unique fusion of natural essence and timeless luxury.

SERIES

The Fusion of Simplicity  
and Profound Elegance

*Simplifying away Complexities*

The LIESTAL series embodies a refined aesthetic language paired with rich design depth, reflecting the essential qualities people cultivate throughout their lives and the critical attributes of premium furniture.

Our designers crafted the LIESTAL series with the precision and care of a sculptor, seamlessly blending form and function. The soft curves and flowing shapes highlight the natural superiority of the materials, both in functionality and visual appeal. LIESTAL's unadulterated elegance and understated sophistication reflect the owner's taste as a solid yet subtle statement in the most intimate space of the home.

The LIESTAL series features a palette of pilgrim gray combined with hazelnut-toned lambskin-textured finishes, masterfully employing color and surface space to exude a sense of premium quality. Its unique "nuthatch-style" pant hangers evoke the classic imagery of the nuthatch, adding vibrancy and energy to the wardrobe with their thoughtful reflections and timeless design.

Every detail in the LIESTAL series expresses a profound love for the essence of life itself.
